TR: Sürekli olarak gelişmekte olan asansör sektöründe önemli bir yere sahip olan firmamız siz değerli çözüm ortaklarımıza daha kusursuz bir geleceğe yol almaktadır. Eksiksiz bir pazar servis ağı kurmak ve ihtiyaç duyduğunuz her alanda size özel asansörler oluşturmak amacıyla güvenli, kaliteli ve verimli çözümler sağlamak için geliştirilmiş bir konsept belirlemektedir. Elazığ'da başlayıp Türkiye'nin her noktasına ulaşan serüvenimize sizleri de ortak ederek daha özverili bir şekilde bu yolda devam ediyoruz. Müşteri güvenini ve marka bilincini oluşturan, profesyonel bir ekiple asansör sistemlerini daha titiz ve daha kaliteli bir imalat sistemiyle sunan CMSKY ELEVATOR, "karşılıklı olarak fayda sağlamak" ve "innovation" kavramını destekleyecek ve ihtiyaçlarınıza yönelik olarak işinizi sıkı bir şekilde yürütecektir.

EN: Our company, which has an important place in the constantly developing elevator sector, is on the way to a more perfect future with you, our valuable solution partners. We define a concept developed to provide safe, quality and efficient solutions in order to establish a complete market service network and to create special elevators for you in every area you need. We will continue on this path in a more self-sacrificing way by making you a partner in our adventure that started in Elazig and reached every point in Turkey. CMSKY ELEVATOR, which creates customer trust and brand awareness and presents elevator systems with a more meticulous and higher quality manufacturing system with a professional team, will support the concept of "mutually benefit" and "innovation" and will carry out your business strictly for your needs.

RS: Наша компания, занимающая важное место в постоянно развивающемся секторе лифтов, находится на пути к более совершенному будущему вместе с вами, нашими ценностными партнерами по решениям. Мы определяем концепцию, разработанную для предоставления безопасных, качественных и эффективных решений для создания полной сети обслуживания рынка и создания специальных лифтов для вас в каждой области, в которой вы нуждаетесь. Мы продолжаем наше путешествие, которое началось в Элязиге и достигло каждой точки Турции, более самоотверженным путем, присоединившись к вам в качестве партнера. CMSKY ELEVATOR, которая создает доверие клиентов и узнаваемость бренда и представляет лифтовые системы с более тщательной и качественной производственной системой с профессиональной командой, будет поддерживать концепцию «взаимной выгоды» и «инноваций» и будет выполнять ваш бизнес строго для вас. потребности.

TR:

25 yıllık tecrübenin sonucu olan kaliteli işçiliğimiz ve güvenilirliğimizle; gerekli teknik ve ticari uzmanlığa sahip genç profesyonellerden oluşan birebir şirketi kurduk.

Makine Mühendisimiz, Elektrik-Elektronik Mühendisimiz ve Mekatronik Mühendisimizden oluşan Ar-Ge bölümümüz özgün geliştirme çalışmaları yaratıcı bir ekip ruhuyla sürdürülmektedir.

Yalnızca satış sonrası hizmetler, bakım, revizyon ve arıza takibi amacıyla kullanılan merkezi bir ofisimiz ve en verimli asansör hizmetlerinden birini sağlamak için iyi donanımlı bir üretim tesisimiz var.

Bugünden itibaren sürecimizi üretim sisteminden başlayarak asansör hizmeti olarak değiştirdiyoruz. Müşteri isteğine göre tasarlanmış ana ürünler olan özel asansörlerle birlikte, müşterilerimize en konforlu, kullanımı, ekonomik ve güvenli asansör hizmetini sunuyoruz.

Mükemmele ulaşana kadar mükemmel yakalamaya çalışmak her zaman kalite ilkemiz olmuştur. CMSKY Elevator, asansör tasarımından imalatına ve sonrasında satışa uzanan tüm süreci yöneten profesyonel bir üreticidir.

CMSKY Asansör'ün profesyonel ekibi, yüksek kaliteli asansör ürünlerinin geliştirilmesini teşvik eder, hayal edilenden daha iyisini tasarlar, basit alanı insanlar için daha uygun hale getirir, insan ilişkilerinin engellerini ve sınırlarını kırar.

EN:

With our quality workmanship and reliability, which is the result of 25 years of experience; we have built a team company of young professionals with the necessary technical and commercial expertise.

In our R&D department, which consists of our Mechanical Engineer, Electrical-Electronics Engineer, and Mechatronics Engineers, original development studies are carried out with a creative team spirit.

We have a central office used only for after-sales services, maintenance, overhaul and breakdown tracking, and a well-equipped manufacturing facility to provide one of the most efficient elevator services.

Starting from today, we are changing our process from the production system to elevator service. We offer the most comfortable, convenient, economical and safe elevator service to our customers, together with special elevators, which are the main products designed according to customer requests.

It has always been our quality principle to try to achieve perfection until we reach perfection. CMSKY Elevator is a professional manufacturer that manages the entire process from elevator design to manufacturing and then sales.

The professional team of CMSKY Elevator promotes the development of high-quality elevator products, designs better than imagined, makes the simple space more convenient for people, breaks the barriers and limits of human relations
